ASF Announces Withdrawal from IHRSA 2020 due to COVID-19 Concerns

Over the past month, ASF has been monitoring the spread of COVID-19, as well as the recommendations from the World Health Organization (WHO), the Centers for Disease Control and Prevention (CDC), and other public health experts on how to best slow the spread of disease and keep our most at-risk populations safe.

Out of the abundance of caution, and for the safety of our employees, their families, our customers, and fellow vendors, we have decided to withdraw from attending IHRSA this year.

Because of this, we're ramping up our virtual presence. Please be on the lookout for emails promoting webinars regarding product releases, announcements regarding live stream or individual, online meetings, and check the "What's New" pop up at log in of My Club Business and updates on the "What's New" page in My Club Business software. Our commitment to this industry and IHRSA remains unchanged, but we feel this is the most responsible course of action, given the circumstances.
